DETAILED ACTION

The reply filed on November 18, 2004 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s):

Effective July 30, 2003, 37 CFR 1.121(c)(1) through (c)(5) have been revised to require a total rewriting of a claim each time the claim is amended, including markings to show the changes being made relative to the immediate prior version of the claim except when the claim is being canceled. Section 1.121(c) also requires submitting a complete listing of all claims ever presented, including the text of all pending and withdrawn claims, and the *status of each and every claim in every amendment document that includes an amendment to the claims. The status of each claim included in the claim listing must be described by one of the following seven defined identifiers in parentheses after the claim number:*

(Original): Claim filed with the application

(Currently amended): Claim being amended in the current amendment document.

(Canceled): Claim deleted from the application.

(Withdrawn): Claim still in the application, but in a non-elected status.

(Previously presented): Claim added or amended in an earlier amendment document.

(New): Claim being added in the current amendment document.

(Not entered): Claim presented in a previous amendment document but which has either not been entered or the status of entry is unknown to applicant when a subsequent amendment to the claims is filed.

Art Unit: 1637

The Amendment received on January 14, 2004 fails to identify claims 1, 14-16, 18-20, 24, 27-32, and 34-36 as "Previously Amended," resulting in the present Notice of Non-responsive Amendment (See 37 CFR 1.111). Applicants are referred to the Federal Register Vol. 68, No. 125 available at www.uspto.gov/main/newsandnotices. See 37 CFR 1.111.

Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment.

EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
